

Call for papers: MIC - Vis, 2016

Mediterranean Island Conference

Submit your abstract and experience the beautiful Mediterranean island of Vis
September 21st - 24th 2016, The Island of Vis, Croatia

Dear Sir/Madam,

The Institute of Social Sciences Ivo Pilar and VERN' University of Applied Sciences invite you to participate in the international multidisciplinary scientific conference MIC - Vis, 2016, to be held from September 21st - 24th 2016 on the island of Vis in Croatia.

The goal of MIC - Vis, 2016 is to foster new approaches to the main challenges that Mediterranean islands are facing and propose new solutions through brainstorming, discussion and scientific research.

Conference topics

Architecture, Arts and literature, Business and economics, Culture and tradition, Demography, Education, Geography, History, Media and communication, Migration, Public services, Renewable energy sources, Security, Sustainable development, Tourism

Keynote speakers

Andrej Plenković

Vice Chair of the Foreign Affairs of the European Parliament

Substitute of the Delegation to the Parliamentary Assembly of the Union for the Mediterranean

Dionigi Albera

Senior research fellow at the CNRS Director of the Institut d'Ethnologie Méditerranéenne, Européenne et Comparative (Idemec, Maison Méditerranéenne des Sciences de l'Homme, Aix-en-Provence, France)
