INSTITUTE OF SOCIAL SCIENCES IVO PILAR

Institute of Social Sciences Ivo Pilar is a public scientific institution that was founded within the University of Zagreb on November 26th, 1991 by the decision of the University Assembly. Its areas and fields of scientific research are: a) social sciences (psychology, sociology, demography, education and rehabilitation sciences, political sciences, economics, information and communication sciences), b) humanities (history, theology, philosophy, ethnology and anthropology, religion science, philology) and c) interdisciplinary scientific areas (cognitive sciences, geography, gender studies). The Institute's head office is in Zagreb, but the Institute also has 8 regional centres (Pula, Gospić, Split, Dubrovnik, Varaždin, Osijek, Vis and Vukovar). Ivo Pilar Institute has so far taken part in more than 330 research projects, of which 60 international projects. Among the international projects, the most prominent projects are those financed by the Horizon2020, and among national projects those financed by the Croatian Science Foundation. Since its foundation the Institute has published over 150 books, including 57 collections, 43 studies, and 50 special editions, such as monographs. The Institute publishes journal *Društvena istraživanja* — Journal for General Social Issues, which is referred in the most prominent scientific databases. The Institute has developed a comprehensive network of cooperation with foreign and local institutions, organizations, and researchers, and with international and regional governmental organizations, institutions and associations, and NGOs.

VERN' UNIVERSITY

VERN' University represents the essence of academic experience and knowledge gained through many years of successful organic growth from the advisory office for education in an international environment to the highest academic level, a university in the professional-scientific-academic field. Today, VERN' University consists of three faculties and one academy — the Faculty of Economics and Business, the Faculty of Computing and Technology, the Faculty of Media and Communications, the Academy of Arts — and implements ten undergraduate and seven graduate study programs in the field of computer and communication sciences, economy, finances, media, tourism and creative industries. Its presence on the international market is reflected through membership in international organizations and projects and cooperation with foreign institutions and universities such as the European Foundation for Management Development, the European Public Relations Education and Research Association, Erasmus+ Program for students, teachers and non-teaching staff, the *Interdisciplinary Centre Herzliya from Israel*, Glasgow Caledonian University, Vaasa and Aalto Universities from Finland and other international institutions. The topic of sustainability is the basis of academic and business activities of VERN' University as well as the courses of study programs. The experience gained through the pioneering positioning of sustainable development and social entrepreneurship in higher education, VERN' University implements through international projects with partners from the European Commission, the UK, Israel, India, Turkey, Spain, Germany, Sweden and other countries.
